Title of the Project: The redistributive effects of pensions

Authors: Alvaro Forteza<sup>1</sup> and Diego Tuzman<sup>2</sup>

15/08/2024

Contents of this repository:

1. Forteza-Tuzman The redistributive effects of pensions.pdf
2. Stata do files
3. Databases
  - a. The Uruguayan 2017 household survey is available [here](#).
  - b. Because of tax confidentiality, we could not make available the database of social security records ---muestra\_HL.dta---, and put instead in this repository the results processed with ss\_database.do, including the files coeffemale\_prq1.dta to coefmale\_puq5.dta and ss\_annual\_2022.dta.
  - c. The database UY CEQ database 2017.dta is available [here](#).
